

NEW! 10 YEAR WARRANTY

Morning Star Elevator is proud to announce the arrival of the 10 year warranty for your new home elevator. The customer comes first always and that's why we are always trying to find ways to improve our service. We stand by our products 100 percent and we want to make sure that you are 100 percent satisfied. This new 10 year warranty will provide limited coverage for all structural components, you will receive an industry leading 3 years limited warranty on all parts, 2 years on labor and 1 maintenance check. It's called our 10-3-2-1 Warranty Program. No need to worry about the brakes, buffers, cable clamps, cams, chain, drive belts, guide shoes, guide shoe inserts, hydraulic cylinder, hydraulic fluids, mounting hardware, oil seals, pulleys, rails, rail brackets, rollers, shackles, sling, suspension cable, upstand jack assembly, and yoke assembly. This 10-3-2-1 Warranty Program is yet another way Morning Star Elevator accommodates all of your home accessibility needs.
